NORTHVALE HAIR

Hair Solutions for Different Businesses

Established in 2012, Northvale Hair specializes in wholesale human hair products for beauty supply stores, salons, hair brands and professional stylists.

Different businesses need different hair. Instead of simply offering one “best” product, we provide several hair collections designed for different price points, customers and selling strategies.

Factory: Development Area, Penglou Town, Heze City, Shandong Province, China

01 • TOP VIRGIN HAIR

Made to Sell. Easy to Restock.

Our Top Virgin Hair is designed for businesses that need a reliable product at a competitive price point.

It offers a good balance of appearance, durability and cost, making it especially suitable for beauty supply stores, wholesalers and fast-moving hair businesses.

Best for: Beauty Supply • Wholesale • Everyday Customers • Fast-Moving Inventory

Choose Top Virgin Hair if: You want a product that is easy to price, easy to sell and easy to reorder.

02 • SINGLE DONOR RAW HAIR

For Clients Who Expect More From Hair.

Our ****Raw Hair Collection**** is selected for customers who value ****longer lifespan, lasting silky-smooth condition and easier maintenance****, with superior performance for bleaching and coloring.

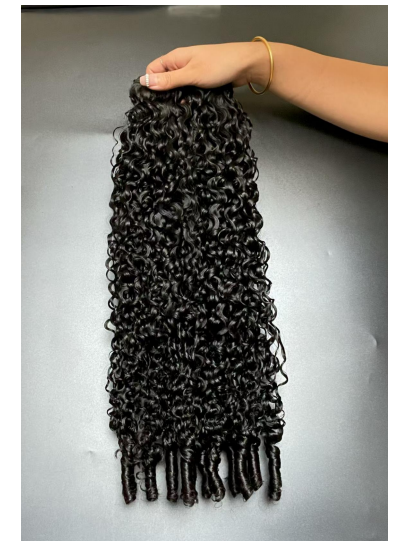

With ****Top Raw and Super Raw**** options available, it can be professionally processed to ****virtually any desired color****, making it ideal for ****professional colorists, premium salons, wig makers and high-end hair brands****.

Best for:

Colorists • Premium Salons • Wig Makers • High-End Hair Brands

Choose Raw Hair if:

Your customers expect ****long-lasting premium hair, easy care and maximum freedom in coloring.****

03 • VIETNAMESE SUPER DOUBLE DRAWN

Maximum Fullness. From Top to Ends.

Our Vietnamese Super Double Drawn Hair is made for customers who love an exceptionally thick and full bundle.

With no short hairs mixed throughout the bundle, the hair maintains its fullness from the top all the way to the ends, creating a noticeably heavier and more luxurious appearance.

This is not simply about a higher hair grade — it is about achieving a very specific ultra-full look.

Best for: Full-Bundle Lovers • Luxury Installations • Thick Hair Looks • Premium Resale

Choose Vietnamese Super Double Drawn if: Your customers want maximum thickness and full ends with virtually no tapering.

THE RIGHT HAIR FOR YOUR BUSINESS

There Is No “Best” Hair — Only the Right Hair for Your Market.

Every business is different. Your customers, price range and selling strategy should determine which hair collection is right for you.

Tell us about your business and target market, and we will recommend the most suitable collection and send you the **detailed product information, pricing and options** you need.

We Grow With Our Customers.

Many of our long-term customers started with small orders and grew their businesses step by step. We value every customer with potential, regardless of where they are starting from.

Beyond supplying hair, we are willing to share our industry experience — from **product selection and market questions to customized product and sales strategies** — to help our customers make better decisions and build a stronger business.

Your growth is our growth. We are here to build business together, not just sell you hair.
